The Lincoln Oil, Gas & Mineral Co. has about 3,000 acres of land loased in Lincoln county, Ky. The larger portion of this lease is contiguous to the M. S. liaugh-man farm—a portion in the neighborhood of Maywood and Sugar Grove sections and still another portion skirting Logan's Creek. "One of the surget indications of the probable value of undeveloped oil lands is the result of efforts at development on land adjoining." None of the stock reserved by the incorporators can be issued by them until the entire amount so reserved has been sold, and when sold every doilar arising therefrom will be used in developing the company's holdings. No or director draws a salary from the company or will receive any compensation for his time and labor unless by good management the entire stock of the company is rendered valuable by reason of the untiring efforts of the officers and directors. The stock is non-assessable and the private property of the stockholder is not liable for corporate debts. It is incorporated under the laws of the State of Kentucky. Its books are open at all times to its stockholders and they are invited to its office to receive any information concerning the company's affairs. The business is being pushed with all the rapidity and zeal possible that is commensurate with safe business.
